Federally Qualified Health Center

Dear: \_\_\_\_\_

Welcome to our dental practice!

Thank you for choosing Family First Health for your dental care.

To help facilitate your first appointment, we have enclosed your new patient paperwork. This packet was created especially for you! Please fill this out before your appointment and either bring it to your appointment or you can drop it off in our office a few days before your appointment.

Remember to arrive to your appointment at least 15 minutes ahead of your scheduled time so we can check you in. We have enclosed an appointment card for your convenience.

Please bring your driver's license or identification, insurance card and proof of income to the appointment. Also, please bring the names of all the medications you are taking or the medications themselves.

*Please note that if you do not come for your appointment and do not call 24 hours in advance to cancel or reschedule, we will not be able to reschedule another appointment for you for one year.*

We are glad for the opportunity to take care of your dental needs.

Thank you and best regards,

The Family First Health Dental Department
